Joséphine

UX UI Design Intern

My Project

I'm in the middle of a career change and feel the need to move into a more creative field, while retaining a technical approach.

The UX/UI design course I've just started at efp strikes me as the perfect balance between these two worlds, combining digital innovation and user-oriented design

Computer skills

- ★ Figma
- ★ Adobe (Photoshop, Illustrator, InDesign, Aero,...)
- ★ Programming Languages: HTML, CSS, Python
- ★ Computer Software : Octave, Studio R, Python, Visual Studio Code
